Examiner's Statement of Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: claim 1 is allowable for setting forth a reciprocating saw comprising a housing having a receiving passage, wherein the receiving passage having a bearing groove for receiving an elastic bearing element. The bearing groove has a length in the longitudinal direction of a stroke bar that commensurates with the length of the elastic bearing element.

For example, Farmerie (5,212,887) teaches a housing having a receiving passage, wherein the receiving passage having a bearing groove for receiving an elastic bearing element 92. Farmerie, however, does not teach the bearing groove having a length in the longitudinal direction of a stroke bar that commensurates with the length of the elastic bearing element.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
